

Adoption Application

Thank you for your interest in adopting a golden retriever. Please complete this application to help us match you with a golden. Upon receipt of this application a volunteer will contact you to set up a time to meet with you at your home. Once you have been approved to adopt we will provide you with the contact information of dogs you are interested in meeting. If no golden is currently available we will hold your application for six months and contact you if a golden comes into rescue that might be a good match for your family.

Dogs are placed with the family that best meets the dog's needs and NOT on a "first come, first served" basis. It is not possible to estimate how long it will take for you to find "just the right golden". We are a small rescue that takes in less than 50 goldens per year.

You will be asked to complete an Adoption Agreement and to provide an adoption fee of:

- \$350 for a golden puppy.
- \$300 for a golden age one to ten.
- \$100 for a senior or special needs golden.

All dogs are spayed/neutered, vaccinated, provided with flea/tick/heartworm prevention and any medical needs are addressed. Puppy adoptions are not final until proof of altering no later than age one year. Failure to alter a puppy will result in reclamation of the golden. You will be provided with a collar, a 6 ft leash and a golden rescue ID tag. *You should bring a with your contact information when you pick up your dog.*
